Mother's Love Notes
with Excerpts from Pearls of the Presence

Mother's Day Gift Book

This gift book has the full message of *Mother Ahavah, Mother's Love Notes*, written for Mother's Day 2017, along with the painting from the same day.

In addition, this book offers excerpts from *eight* of the eighteen chapters from the new book *Pearls of the Presence: Heavens Way Lived on Earth*, published May 11, 2017.

These excerpts are especially chosen to reflect the kind spirit, intelligent grace, and deep nurture of honoring all mothers and the Divine Eternal Mother.

Mother's Day this year feels especially sacred. This is the very hour of time prophesied from ancient days. The age of spiritual ignorance is reaching it's close and we are crossing the thresholds of unprecedented times.

This is our moment. It is our watershed great divide. Now our miraculousness shines as we reverence and elevate the *Divine Feminine Presence, the Reality of the Mother aspect of God*. We are joyously waking up to our Original Light, oneness with Father Mother God.

Shekinah is the word in the Hebrew language and in scriptural texts that denotes the feminine aspect of God. It's meaning also refers to God as our *dwelling* place—our glory temple, within.

This Mother's Day may you remember the kind simplicity of your sacredness and your natural happiness. And may you remember, truly feel, the Diamond Light abode, the nurturing peace of our eternal Mother, one with our Eternal Father.

Feel yourself as One with the Presence of Holy Mother, the Mother Light of Consciousness, the Mother Light Presence of all things.

Love is everything. Being alive as *Living Love, as Eternal Love*, you are and have all things, as Eden's pristine goodness, and heaven's way of kindness and beauty.

Warm Blessings From the Heart,
Dr. Ann Marie Nielsen

Feel Mother God Presence
The Golden Diamond Light
From before the foundation of the world
Voice to you, in tones of Love

Mother Ahavah *Mother's Love Notes*

Mother

Mother

M o t h e r

We could not even conceive

Of ourselves

Or our world

Without Mother

All our lives
From our first nascent wide eyed years
Our ears hear so much of
Father God

We know
Of our Father God

If we are fortunate
We *know, know, know*
The Beloved, Father God Love
As our flourishing glory,
As our fulfilled, tangible
Light of Existence

For most of us
Through our earth journey

We hear little of
And know less of
Mother God

Yet knowing Father God Love
Is married to knowing
Mother God Love

They are inseparable...
One

Our Mother

Shekinah
The Hebrew scripture
Reveals-unveils this as
The Feminine Light of God

Known as: *God dwells with us*

Shekinah

The Intimate Beloved

Oneness

The bliss of the

Diamond Light Abode

The Temple of your Heart

Your Original Heart

Is made of

Mother God Heart

We have crossed the thresholds

Of the time called *the last hour*

The Midnight Hour

We have entered the void
Of the great divide
The age the prophets heralded
As the age of the golden return
The soberly and hotly prophesied holy instant
Foreseen prior to
The foundation of the world
The hour is now
When we
Remember
Know
Feel
The true ineffable *feelingness*
Of Home
As Mother God Love

We alight
As the Temple Chalice
Shimmering with
Dancing golden zenith starlights
Of endless treasures
Singing symphonies
Of the Primordial Pristine Hallelujah

Flying free
On silver lined maternal wings
Free of all lingering imaginings
Of separations
Free: To Remember
Eden's Grandeur Way—
The Love Between Us:
Is Us

Let's journey this very instant now

To feel together

Messiah's holy laugh

As it now redeems and heals

All the millennia of dreams

Of mother-bound heart breaks

Of feeling separate from Mother

And Her creations

Observe what experience

Arises for you around Mother

Softly rest with and notice what

Sensations surface around:

Mother

Mom

Ma

Eemah

No matter what sensory experience arises

Welcome it, softly sit with it

As Love

Invoke that all sufferings now heal

For the final time

Through awakening to deeper

And ever eminently deeper

Cherishing realization, felt and known

Of Divine Mother Love

Grace Is

And in this instant

All the chards of pressing burdens

Roll off the shoulders of your heart

The most subtle contracted places

Of hardened pain, discomfort or sufferings

Now dissolve like salt dolls of calcified woes
Immersed in the ocean that erases all grievances
Salt dolls dipped, attentively... again... and again
Until the hidden hardened places
Forever wash away
Hurts lose all name, shape, and form...
As if they never were

Truly, they never were

Now alive as Formless Light Form
Returned in the golden Ocean
Of Divine Mother's Heart Temple

All gently purifies away
Until the Ocean of Love
Is all there is

That is all there Is

What has washed away
Into the luminous waves of majesty
Can no longer be grasped or carried
Tension carryings have evaporated

Free

Rest

Safe and free

Divine Mother Love
Feel this as Original Nectar
Original Soft Love
Original Foundations of Light

And now return back even further

Before Origin

Feel silence's deep peace
Originless Mother of the Aeons
Before the Aeons
She Is

The Formless Mother Light
That only forms as Heaven's Happiness
Now gathers you Home
Not as a change of location
As a return of the knowing of reality
Home Now
As the remembrance
Of the Originless
Infinity of Holy Reverence Ecstasy
As You

Feel Mother God Presence
The Golden Diamond Light
From before the foundation of the world
Feel Her Voice to you, in tones of Love

You hear these choruses
Of Celestial Love Notes
Sacredly, magnetically, merging you
Home in Mother God

The Diamond Abode
Of Supreme Amrita
Eden's Majestic Intelligence
The Nectarland of Heaven

Abavah
Means Ineffable Eternal God Love

Hear

Mother Ababah

Sing halos around your Heart

And Voice to You:

I Am

Mother

Of You

The Timeless OriginLess

Forever Existent Peace

The Ineffable Tender Holy

Birthing the Aeons

And Gathering them Back

Breathing them in

Breathing them out

You breathe out of me

You breathe back into me

And the Heart Breath of Light

Does not separate

Or change

I am in You

You are in Me

One Exalted Love

One Living Light

You exist as the Hallelujah Joy

Of Mother

You are the Absolute Mother Presence

In Eden's Way

We feel

The Holy Joy

Between the two

That makes *not two*

Love Is

Eden's Betweenness Is

I

The immaculate non-difference

Scintillating as oneness

We meet *there*

We *meet* in the non-difference

And from *there* celebrate

The uniquenesses

Like one diamond

Each facet a symphony

Shimmering as unified sound

One Light

Feel and hear
The holy bliss sound
Of Eden's Betweenness

And being the *Light Love Sound*
Shining from the diamond
Even more than the diamond
As *the Light Love Sound Alone*—
Light Love Sound looks back
At all the glimmering facets
And welcomes them all
As *Home*

Feel and hear
The holy bliss sound
Of Eden's Betweenness

God as Heaven
Love Gazed You
Into infinite existence
As forever now, here

Heaven

We see

Heaven is not a place we go to

It's not in the future,

Heaven is being

As you Originally Are

As the Genus of Heaven

The Genesis of Heaven

Heaven is

Not needing a next moment

To form in a certain way

Heaven is the Shalom
The Completion Presence
Free

Heaven is not a place
Or an event
Or a happening
Heaven
Doesn't happen for a person

Heaven is
Immortal Innocence
Here Now
As You
As You Originally Are
As Love gazed into existence
By and as the Eternal Supreme Light

Heaven is
Ineffable Holy Joy
Infinite Light
Eternal Love

You are Heaven's smile
That lights heaven, that lights earth
Heaven's Non-local Love Gaze
As You

Selab

Heaven is
Immortal Innocence
Here Now
As You
As You Originally Are
As Love gazed into existence
By and as the Eternal Supreme Light

Know Him
Rest assured
He has known you
From before the foundations
Of the world
And his Love Gaze
Ever beckons you
Home

Yeshua: Know Him

When you *Know Him*
His embrace
His immaculate Presence
Of the Forever Quieting
Awakens such Trust
That you shimmer alive as the
Reality of Trust
You feel, feel, feel
Love as Trust

Love as Trustworthy

That Messianic Trust
Bathes you
In the sabbath of enchanted wonderment
That deems each moment
Pure white miraculousness
Know Him

Know Him

Know Him
Rest assured
He has known you
From before the foundations
Of the world
And his Love Gaze
Ever beckons you
Home

When the Mystery of Compassion
Reveals the beauty of what you look upon
You see the beauty in you

Compassion

Compassion sees another with soft eyes
With Glory vision
As they are seen with soft eyes
They can see themselves with soft eyes
When they can see themselves with soft eyes
They have the courage
To look up
And look up
And no matter what happens
Look up
And See the Holy Gaze
Of the Holy One

The Holy Compassion Gaze

Of the Holy One

And they look back

Made whole

Free!

Not free to evade pain

Free to love!

In the holy heart womb of Grace

Grace Is

Compassion Is

God Is

Compassion sings in the tone

Of innocence

Compassion is innocent of judgment

Innocent of disconnection

Compassion is the whitest dove of innocence
Descended as the purest vision
Of heaven as compassion as earth

Compassion sees another with soft eyes
With Glory vision
As they are seen with soft eyes
They can see themselves with soft eyes
When they can see themselves with soft eyes
They have the courage
To look up
And look up
And no matter what happens
Look up
And See the Holy Gaze
Of the Holy One

Alive as the *Immortal Devotion*
They worship the Light
As The Light
And a thousand hearts who felt alone
Suddenly feel enveloped in the reality of Love

Devotion

Devotion lives the life
And only then the life reflects Glory
Celestial devotion is *The Life*
It endures forever
Immortality's Kindness
Alive as You

Devotion's pillars of honey
Lavishes all these enduring rewards

A puff of devotion this pure
Moves a mountain

A glance of devotion this pure
Raises the dead
A whisper of devotion this pure
Sling shots flares of pulsing limitlessness,
That light up the skyway with temples of joy
And shower them back down upon the landscape
Like cathedrals of solace, aglow with beauty

If every being lived each breath
Lived each instant
As the Spontaneous Holy Joy,
As Devotion to Oneness with the One God
As the Ineffable Innocence
Of Devotion
Then all beings would spring alive
As a chorus of celestial happiness
All wars and conflicts would end
All hearts would beat in the rhythms of harmony

Like the beat of a billion drummers
Sounding the soft laughing thunder
Of perfect solidarity,

All voices would sing
Like the tone of a billion serene flutes

Chorusing:
One with the Holy One
Hallelujah

Peace on earth
Peace as earth

Still Home
In God
The Beloved

Selab

Devotion lives the life
And only then the life reflects Glory
Celestial devotion is *The Life*
It endures forever
Immortality's Kindness
Alive as You

If all the past really was,
Was a cry for love
And if all the future really is,
Is a hope the cry for love is answered
Then the answer to the past
And the answer to the future
Is Being *The Timeless Eyes*

To be The Timeless Eyes
Is to be *The Timeless Love*

Timeless Eyes

*Be The Timeless Eyes
Of the Timeless One
One with the One God*

Vision Is

The Timeless Eyes

Cast one glance and all yesterdays turn golden

And shimmer as one celestial Now

One look from *The Timeless Eyes*

And all tomorrows turn silver golden

As One pearl shimmer of luminosity

Of the Eternal Now, Here

Here

If all the past really was,

Was a cry for love

And if all the future really is,

Is a hope the cry for love is answered

Then the answer to the past

And the answer to the future

Is Being *The Timeless Eyes*

To be The Timeless Eyes

Is to be *The Timeless Love*

Walk on Ice

The Immortal Love, the Ineffable Love

The Glory Presence: ready to open the gate for you

If only you have the key to the lock

Only one key exists

No locksmith out there can fashion it for you

It comes from the heart

Inside you

The passageway key into *True Holy Love...*

Is...

Total trust

When you go all the way
All the way to the core diamond of Love
All the way to the ecstatic joy of adoration

All the way

Home in God, the Holy One

All the way

To the Holy Joy
Of Immortal Life

All the way

To Glory

To Limitlessness

You sign up to walk on ice

You walk on ice

With no hand to hold

You are upheld with *The Heart*

That holds You

You walk on ice
That seems so slippery
You stop trying to reach for a hand rail
You ascend in the Heart
So high
That Trust walks as You
Trust breathes You
Second by second
Trust stabilizes You

You walk on ice
And you exclaim:
This is the highest bliss!
This is paradise!

You walk on ice
And you see

You *know*
That when you “need it”
The ice melts just long enough
To walk on the water
Of any situation
As the miracle

You walk on ice
And you see
You *know*
That when you “need it”
The ice turns into diamonds
And you blaze as a diamond light
Singing celestial symphonies
Of Blazing Glory
Of Tender Joys

THE GROUNDBREAKING BOOK BY ANN MARIE NIELSEN PH.D

Father Ahavah:

The Unfathered Ones Come Home to Love

Ahavah: a word for Love in the Hebrew language and scripture. Father: Father Spirit, Eternal Father. Thus, Father Ahavah means the direct experience of Everlasting Father God Love.

Father Ahavah is a way of life and a pathway of light. Our hearts, relationships, emotions, health, prosperity— and our environmental and world conditions—have been tragically impacted by the longing for fatherly love, wisdom, and protection. This message reveals the longing we share for the Father's Love. Ultimately, this Father must go beyond a human person, or gender; it must go beyond an object, or something seen as external or personal. This Father Ahavah is known as Eternal, as the One God, yet felt as a gentle Papa, as a present, compassionate Father. And yet this Father Spirit, this Father Heart, this Father God Light is within us—is us, as us.

Father Ahavah bears similarity to Somewhere Over the Rainbow. The song speaks of and carries the lower tones of the aching, the longing that we share. Then the song hits the high note, rises to the rainbow, and over the rainbow, way up high. The vignette “true story” sections of the Chapters reveal the low note, the en masse longing, the sense of separation. And the Now Wisdom Teachings and the Experiential Applications portions of the chapters hit the high “C,” the high notes, the celestial tone, and takes us to the Holy Joy.

However, in the Wizard of Oz, the real world happens in Kansas. In this book the real world is the golden world of Light. More specifically, the real world reflects ineffable Divine Love in the kingdom inside. And yet that world of Light is lived here, now, from the heart in the most relevant, tangible, practical way.

Review by U.S. Congressman, Bill Johnson

"Making people, regardless of who they are or where they are from, aware of the depth, strength, and power of their spiritual self is a tremendously powerful life changing, therapeutic tool. Father Ahavah does that, and it will open the door for a return to The Heart of the Father for millions of people. It is not, however, an easy read. Not because of the writing style, but because of the spiritual depths that Dr. Nielsen's words take the reader to. It takes time to let the words really sink in. The only writings I have read that come close to accomplishing the same thing is the Bible."

Holy One — Worldwide Canticle Song Release

31st May 2017

Ranging all the way from soft acappella tones, to epic instrumental orchestration with four part cathedral harmonies, this ascendant way of merging voice, tone and melody, offers you a deeply moving and elevating heart experience.

Holy One canticle song immerses you in the felt remembrance of sacredness, peace, and Eternal Love, in a way that liberation's awareness remains with you.

Holy One originated as a spontaneous song of worship that Dr. Nielsen, sang and toned worshipping under the grandmother oak trees by the water, performing ministry activities of her Home in the Heart Foundation.

She had no plan to professionally record and distribute these tonings of stillness and grace—initially seen as a silent ministry in quiet moments, offered to heal and awaken hearts through our humankind family. In the recorded audio, Dr. Nielsen sings the lead vocals, background vocals, four part harmonies and she tap dances the percussion.

In the words of Dr. Nielsen, of Mother Ahavah:

“I clearly remember an intuitive flash as a child—that sound would one day emerge as a primary and powerful way to feel God's Presence. I had no idea at that time or until quite recently, that sound and song would arise as such an intimate and sacred expression of my voice in the world.”

“The ineffable joy and love of God Presence, Face to Face is indescribable. I feel this experience pulsing through as melody and tones, which I usually initially tone without words for some months. Then spontaneously one day, lyrics arise. I entrust the hearing of these songs to you, that you rest in the Glory of our Creator, the beauty of your sacred heart.”

Ann Marie Nielsen Ph.D. (Mother Ahavah) releases her first single and debut album title track – *Holy One* – 31st May 2017.
Available worldwide from Amazon and all good music stores.
